FONHDAD

FONDHAD is a not-for-profit organization, which convenes universities, private businesses and grassroots farmers' organizations working in sustainable agricultural and environmental development. Foundation's mission is to contribute to improving the livelihoods and resilience of rural communities through the development of sustainable farming technology and practices. FONDHAD also promotes environmental protection and responsible management of natural resources.

Grant #1 | September 2017 - January 2018

- Development of a 5-year strategic plan;
- Drafting of an operational plan based on these strategies.

Achieved Results

- Priority areas of intervention and effective strategies identified;
- Risks and opportunities identified;
- Strategies developed to mobilize necessary resources;
- Financial and operational plans developed with indicators to measure progress;
- FONDHAD's financial viability strengthened.

Grant #2 | January 2020 - June 2020

- Review and strengthen financial management;
- Financial compliance standards verified and up to date.

Expected Results

- Financial systems improved and staff is trained;
- Management is able to make strategic decisions based on accurate financial reports;
- FONDHAD is compliant with legal regulations;
- Internal control systems are strengthened;
- FONDHAD is better placed to apply for and implement donor and private sector funds.

“Konbit's support has set FONDHAD on the right path to become a more effective institution. The Foundation is better positioned to implement its strategy for agricultural development. More importantly, the Foundation has a better understanding of its needs based on the assessment conducted by Konbit. It can therefore review its activities and operations to become more effective and achieve better development results for the farmers it serves.”

Kenel Cadet, Executive Director FONDHAD

The Konbit Small Grants Program provides funding opportunities for Capacity Development Grants to eligible local organizations and competitive Innovation Grants designed to fund inventive solutions to development challenges specific to the Haitian context.
