FHADIMAC

The Konbit Small Grants Program provides funding opportunities for Capacity Development Grants to eligible local organizations and competitive Innovation Grants designed to fund inventive solutions to development challenges specific to the Haitian context.

Grant | September 2019 – April 2020

- Improve financial management and reporting systems.

Expected Results

- Strong financial systems including improved accountability and compliance procedures;
- Improved accounting and financial systems;
- Consistent organizational growth and increased financial sustainability.

FHADIMAC is the only Haitian organization that is devoted to supporting patients with diabetes and cardiovascular diseases in Haiti. Founded in 1987, FHADIMAC is a private Haitian, non-profit foundation. Today, FHADIMAC offers a holistic range of free or low-cost health care services that includes treatment and daily educational sessions on diabetes and hypertension to over 6,000 adults and children.

Konbit's capacity building grant has helped FHADIMAC to expand while strengthening its organizational capacity and resilience. Additionally, Konbit has provided FHADIMAC and other institutions a much-needed space to share information, best practices and lessons learned.
