

# GRANTEE *Spotlight* **AGRITECH**

Founded in 2007, AGRITECH is a private company that focuses on sustainable development primarily through the provision of agricultural services in rural Haiti. Its mission is to build the capacity of small and productive agricultural networks that will strengthen the sector, increase productivity and reduce poverty.

## Grant | May 2018 – November 2018

- Improve and strengthen AGRITECH financial systems and reporting capabilities;
- Prepare and structure AGRITECH for its first upcoming external audit.

## Achieved Results

- Financial systems are improved, and reporting is compliant;
- Revised AGRITECH Accounting and Finance Manual;
- Key staff trained on Quickbooks;
- Accurate financial reports are issued and used for strategic decision-making;
- AGRITECH is prepared for its first external audit;
- AGRITECH can more effectively apply for and implement donor funding.

“ *With the grant received from Konbit, AGRITECH became more accountable in the eyes of its donors and clients. Our services and even our project proposals have become more competitive.* ”

Marc-Edy Martin,  
CEO AGRITECH

The Konbit Small Grants Program provides funding opportunities for Capacity Development Grants to eligible local organizations and competitive Innovation Grants designed to fund inventive solutions to development challenges specific to the Haitian context.
